

Parallels Between the Bible and the Communist Manifesto.

Written by Descarte.

Introducing the Jewish psychobabble. The Communist Manifesto.

"the epidemic of over- production. Society suddenly finds itself put back into a state of momentary barbarism; it appears as if a famine, a universal war of devastation, had cut off the supply of every means of subsistence; industry and commerce seem to be destroyed; and why? Because there is too much civilisation, too much means of subsistence, too much industry, too much commerce. The productive forces at the disposal of society no longer tend to further the development of the conditions of bourgeois property; on the contrary, they have become too powerful for these conditions, by which they are fettered, and so soon as they overcome these fetters, they bring disorder into the whole of bourgeois society, endanger the existence of bourgeois property. The conditions of bourgeois society are too narrow to comprise the wealth created by them. And how does the bourgeoisie get over these crises? On the one hand by enforced destruction of a

mass of productive forces; on the other, by the conquest of new markets, and by the more thorough exploitation of the old ones. That is to say, by paving the way for more extensive and more destructive crises, and by diminishing the means whereby crises are prevented (17-18)".

Now this is clearly all bullshit. This section claims that overproduction leads to barbarism. This laid the foundation for collectivization. It is clear what happens when production is controlled in order to "stop the epidemic" of overproduction.

"Luke 6:20-23. Blessed be ye poor, for yours is the kingdom of God. Blessed are ye that hunger"

This scripture quote says it all. The kingdom of god is a place inspired by faulty jewish economics that deny overproduction. This relates to Karl Marx's statement.

This jewish theory is clearly proven wrong by Hitler's Reichsarbeitsdienst . Or Riech Labor Service. This Reichsarbeitsdienst was able to transform a war torn country into a fertile land. Thanks to the Reichsarbeitsdienst's "overproduction, Germany was able to destroy all poverty in Germany.

Note this verse. ***Proverbs 22:7***

***"The rich ruleth over the poor, and the borrower is servant[slave] to the lender.
"***

"In proportion as the bourgeoisie, i.e., capital, is developed, in the same proportion is the proletariat, the modern working class, developed – a class of labourers, who live only so long as they find work, and who find work only so long as their labour increases capital. These labourers, who must sell themselves piecemeal, are a commodity, like every other article of commerce, and are consequently exposed to all the vicissitudes of competition, to all the fluctuations of the market(18)."

Leviticus 25:44 Your male and female slaves are to come from the nations around you; from them you may buy slaves. You may also buy some of the temporary residents living among you and members of their clans born in your country, and they will become your property. You can will them to your children as inherited property and can make them slaves for life, but you must not rule over your fellow Israelites ruthlessly. "

The following quotes are identical. The jews are self appointed supremacists. This

is why they have the god given right to rule over slaves. This is what they believe. Communism opens the door for slavery. This is because it looks upon the working class as a commodity.

Hitler believed in Uniting the worker with the country. So that there was a symbiosis between the classes. Equal Rights were Equally earned.

"Modern Industry has converted the little workshop of the patriarchal master into the great factory of the industrial capitalist. Masses of labourers, crowded into the factory, are organised like soldiers. As privates of the industrial army they are placed under the command of a perfect hierarchy of officers and sergeants. Not only are they slaves of the bourgeois class, and of the bourgeois State; they are daily and hourly enslaved by the machine, by the overlooker, and, above all, by the individual bourgeois manufacturer himself. The more openly this despotism proclaims gain to be its end and aim, the more petty, the more hateful and the more embittering it is(18)".

Note that just one paragraph earlier this jew claims the working man is just a piece of raw material to be traded just as money is. Now this piece of trash is taking up the cause of the working class. This is the common jewish tactic of speaking from both sides of their flat mouth.

This Jew also goes as far as to claim that the worker is enslaved by industry. As if industry is the one thing that will destroy the working class. Industry can be good and bad. But to claim that Industry is a tyrant..well that is just fucking bonkers.

Romans 12:2 - And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what [is] that good, and acceptable, and perfect, will of God.

The above bible quote is Karl Jew's words in a nutshell. Marx claims that the working class is being manipulated through industry. He clearly claimed this statement so that he could appeal to the proletariat. The above bible verse says the same thing in a different way.

"Differences of age and sex have no longer any distinctive social validity for the working class. All are instruments of labour, more or less expensive to use, according to their age and sex(18). "

Malachi 2.10 "I look upon all creatures equally; none are less dear to me and none more dear."

Galatians 3:28 "There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus."

Corinthians 16:19-20 What ? " know ye not that your body is the temple of the Ho'ly Ghost which is in you, which ye have of God, and ye are not your own ? For ye are bought with a price : therefore glorify God in your body, and in your spirit, which are God's.. So glorify God in your body. "

Also note this communistic verse.

"Further, as we have already seen, entire sections of the ruling class are, by the advance of industry, precipitated into the proletariat, or are at least threatened in their conditions of existence. These also supply the proletariat with fresh elements of enlightenment and progress(19)".

Modern Industry has converted the little workshop of the patriarchal master into the great factory of the industrial capitalist. Masses of labourers, crowded into the

factory, are organised like soldiers. As privates of the industrial army they are placed under the command of a perfect hierarchy of officers and sergeants. Not only are they slaves of the bourgeois class, and of the bourgeois State; they are daily and hourly enslaved by the machine, by the overlooker, and, above all, by the individual bourgeois manufacturer himself. The more openly this despotism proclaims gain to be its end and aim, the more petty, the more hateful and the more embittering it is(18)".

Romans 12:2 - "And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what [is] that good, and acceptable, and perfect, will of God."

"The immediate aim of the Communists is the same as that of all other proletarian parties: formation of the proletariat into a class, overthrow of the bourgeois supremacy, conquest of political power by the proletariat(22)".

More jew swindle. Jews are in control of the production forces and have decreased the standard of living because of their insatiable thirst for ripping underlings off. These same forces are now claiming that the ruling class has supreme ruling power over the proletariat. According to Marx this "problem" is supposed to be fixed with

the exact same problem, but with a different name. Communism is only a method of digging the jewish infection closer to the heart of gentile society. In other words, it disrupts the social hierarchy so that Communist leaders can lead the supposedly oppressed working class.. More systematic murdering of the best aspects of a gentile culture..more bullshit promises that lead to the same bullshit, but only worse.

"And the abolition of this state of things is called by the bourgeois, abolition of individuality and freedom! And rightly so. The abolition of bourgeois individuality, bourgeois independence, and bourgeois freedom is undoubtedly aimed at. By freedom is meant, under the present bourgeois conditions of production, free trade, free selling and buying(23)".

Galatians 3:28 "There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus."

"The working men have no country. We cannot take from them what they have not got. Since the proletariat must first of all acquire political supremacy, must rise to be the leading class of the nation, must constitute itself the nation, it is so far, itself

national, though not in the bourgeois sense of the word. National differences and antagonism between peoples are daily more and more vanishing, owing to the development of the bourgeoisie, to freedom of commerce, to the world market, to uniformity in the mode of production and in the conditions of life corresponding thereto. The supremacy of the proletariat will cause them to vanish still faster.

United action, of the leading civilised countries at least, is one of the first conditions for the emancipation of the proletariat. In proportion as the exploitation of one individual by another will also be put an end to, the exploitation of one nation by another will also be put an end to. In proportion as the antagonism between classes within the nation vanishes, the hostility of one nation to another will come to an end(25)".

Amos 4:1-3 "Hear this word, you kine [cows] of Bashan, who are on the mountain of Samaria, who oppress the poor, who crush the needy, 'Bring, that we may drink!' The Lord God has sworn by his holiness that, lo, behold, the days are coming upon you, when they shall take you away with hooks, your posterity with fishhooks. And you shall go out through the breaches, every cow at that which is before her; and you shall cast them into the palace, saith the Lord."

"In proportion as the exploitation of one individual by another will also be put an end to, the exploitation of one nation by another will also be put an end to. In proportion as the antagonism between classes within the nation vanishes, the hostility of one nation to another will come to an end(25)".

Acts 17:26 "And [he] hath made of one blood all nations of men for to dwell on all the face of the earth, and hath determined the times before appointed, and "the bounds of their habitation"

1 Corinthians 15:28 " And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all in all."

Matthew 21:42 - "Jesus saith unto them, Did ye never read in the scriptures, The stone which the builders rejected, the same is become the head of the corner : this is the Lord's doing, and it is marvellous in our eyes"

"The charges against Communism made from a religious, a philosophical and, generally, from an ideological standpoint, are not deserving of serious examination. Does it require deep intuition to comprehend that man's ideas, views,

and conception, in one word, man's consciousness, changes with every change in the conditions of his material existence, in his social relations and in his social life(25)"?

2 Corinthians 5:7 "For we walk by faith, not by sight. "

"There are, besides, eternal truths, such as Freedom, Justice, etc., that are common to all states of society. But Communism abolishes eternal truths, it abolishes all religion, and all morality, instead of constituting them on a new basis; it therefore acts in contradiction to all past historical experience(26)."

Ephesians 4:17 - "This I say therefore, and testify in the Lord, that ye henceforth walk not as other Gentiles walk, in the vanity of their mind"

Mark 16:16 - "He that believeth and is baptized shall be saved; but he that believeth not shall be damned."

"The history of all past society has consisted in the development of class antagonisms, antagonisms that assumed different forms at different epochs. But whatever form they may have taken, one fact is common to all past ages, viz., the

exploitation of one part of society by the other. No wonder, then, that the social consciousness of past ages, despite all the multiplicity and variety it displays, moves within certain common forms, or general ideas, which cannot completely vanish except with the total disappearance of class antagonisms. The Communist revolution is the most radical rupture with traditional property relations;(26)".

Leviticus 25:23

"The land shall not be sold for ever : for the land is mine ; for ye are strangers and sojourners with me."

The above is despotism at its finest.

"These measures will, of course, be different in different countries. Nevertheless, in most advanced countries, the following will be pretty generally applicable.

1. Abolition of property in land and application of all rents of land to public purposes.

2. A heavy progressive or graduated income tax.

3. Abolition of all rights of inheritance.

4. Confiscation of the property of all emigrants and rebels.

5. *Centralisation of credit in the hands of the state, by means of a national bank with State capital and an exclusive monopoly.*

6. *Centralisation of the means of communication and transport in the hands of the State.*

7. *Extension of factories and instruments of production owned by the State; the bringing into cultivation of waste-lands, and the improvement of the soil generally in accordance with a common plan.*

8. *Equal liability of all to work. Establishment of industrial armies, especially for agriculture.* 9. *Combination of agriculture with manufacturing industries; gradual abolition of all the distinction between town and country by a more equitable distribution of the populace over the country.*

10. *Free education for all children in public schools. Abolition of children's factory labour in its present form. Combination of education with industrial production, &c, &c. 2. A heavy progressive or graduated income tax(26-27)".*

"1. Abolition of property in land and application of all rents of land to public purposes(26)".

Deuteronomy 6:9-11

" And it shall be, when the LORD thy God shall have brought thee into the land which he sware unto thy fathers, to A'bra-ham, to l'Saac, and to Ja/cob, to give thee great and goodly cities, which thou buildedst not, And houses full of all good things, which thou filledst not, and wells digged, which thou diggedst not, vineyards and olive trees, which thou plantedst not ; when thou shalt have eaten and be full ;"

Deuteronomy 28:8

"The Lord will command the blessing on you in your barns and in all that you undertake. And he will bless you in the land that the Lord your God is giving you."

"2. A heavy progressive or graduated income tax(26)".

Romans 13:1 "Let every soul • be subject un to the higher powers. For there is no power but of God : the powers that be are ordained of God."

Romans 13:7-8

"Pay to all what is owed to them: taxes to whom taxes are owed, revenue to whom revenue is owed, respect to whom respect is owed, honor to whom honor is

owed. Owe no one anything, except to love each other, for the one who loves another has fulfilled the law."

Romans 13:2

"Whosoever therefore resisteth the power, resisteth the ordinance of God : and they that resist shall receive to themselves damnation."

"3. Abolition of all rights of inheritance(26)".

Hebrews 1:2

"But in these last days he has spoken to us by his Son, whom he appointed the heir of all things, through whom also he created the world. "

Psalm 2:7-8 "I will declare the decree : the LORD hath said unto me, Thou art my Son ; this day have I begotten thee. Ask of me, and I shall give thee the heathen[gentile] for thine inheritance, and the uttermost parts of the earth for thy possession."

Proverbs 13:22 "A good man leaves an inheritance to his children's children, but the sinner's wealth is laid up for the just."

"4. Confiscation of the property of all emigrants and rebels(26)".

Deuteronomy 1:8

"See, I have set the land before you. Go in and take possession of the land that the Lord swore to your fathers, to Abraham, to Isaac, and to Jacob, to give to them and to their seed after them."

5. Centralisation of credit in the hands of the state, by means of a national bank with State capital and an exclusive monopoly.

6. Centralisation of the means of communication and transport in the hands of the State.

7. Extension of factories and instruments of production owned by the State; the bringing into cultivation of waste-lands, and the improvement of the soil generally in accordance with a common plan.

8. Equal liability of all to work. Establishment of industrial armies, especially for agriculture.

9. Combination of agriculture with manufacturing industries; gradual abolition of all the distinction between town and country by a more equable distribution of the populace over the country(26)".

Note that 7 is a number of perfection. 8 is the number symbolizing infinity. 9 symbolizing endings.

Kings Chapter 4

"21 And Solomon ruled over all the kingdoms from the River unto the land of the Philistines, and unto the border of Egypt: they brought tribute, and served Solomon all the days of his life.

22 And Solomon's provision for one day was thirty measures of fine flour, and threescore measures of meal,

23 ten fat oxen, and twenty oxen out of the pastures, and a hundred sheep, besides harts, and gazelles, and roebucks, and fatted fowl.

24 For he had dominion over all the region on this side the River, from Tiphseh even to Gaza, over all the kings on this side the River: and he had peace on all sides round about him.

25 And Judah and Israel dwelt safely, every man under his vine and under his fig-tree, from Dan even to Beer-sheba, all the days of Solomon.

26 And Solomon had forty thousand stalls of horses for his chariots, and twelve thousand horsemen.

27 And those officers provided victuals for king Solomon, and for all that came

unto king Solomon's table, every man in his month; they let nothing be lacking.

28 Barley also and straw for the horses and swift steeds brought they unto the place where the officers were, every man according to his charge.

29 And God gave Solomon wisdom and understanding exceeding much, and largeness of heart, even as the sand that is on the sea-shore.

30 And Solomon's wisdom excelled the wisdom of all the children of the east, and all the wisdom of Egypt.

31 For he was wiser than all men; than Ethan the Ezrahite, and Heman, and Calcol, and Darda, the sons of Mahol: and his fame was in all the nations round about."

"10. Free education for all children in public schools. Abolition of children's factory labour in its present form. Combination of education with industrial production, &c, &c.(27)".

Deuteronomy 11:19 -" And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up."

Proverbs 16:3 - "Commit thy works unto the LORD, and thy thoughts shall be

established."

Matthew 19:14

But Jesus said, "Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven."

"The Communists disdain to conceal their views and aims. They openly declare that their ends can be attained only by the forcible overthrow of all existing social conditions. Let the ruling classes tremble at a Communistic revolution. The proletarians have nothing to lose but their chains. They have a world to win(34)".

Proverbs 25:2 "It is the glory of God to conceal a thing: but the honour of kings is to search out a matter."

Jeremiah 4:10 "Then said I, Ah, Lord GOD ! surely thou hast greatly de ceived this people and Jl-ru'sa- lem, saying, Ye shall have peace ; whereas the sword reach- eth unto the soul"
